Essays may be nominated by the instructor or teaching assistant, or submitted directly by the student. Each essay prize has specific guidelines for subject matter and, in some cases, year of student. Please check to be sure your essay is eligible.

To submit an essay:

- Submit one electronic copy, either a Word or pdf document, and one clean hard copy (without your instructor's comments or grade).
- Make sure that your name does not appear anywhere on the essay, including the title page, running heads, etc.
- Supply a separate cover sheet (or title page) with your name, student number, the title of the essay, and the course information.
- Do not include an application letter or any of the comments from your instructor or TA. Those will not be forwarded to the prize committee.
- Email your essay to Ms. Vicki Norton, Undergraduate Administrator, at hisugadm@utoronto.ca. Please include the name of the prize in the subject line of your email.
- The hard copy may be dropped off at the history department.
- The deadline for submissions is **April 30**.

A committee of faculty members reads the prize submissions over the summer. Results are announced in late summer or early fall.
